Reading Room National Estimates

| 1. Forwarded herewith is one of several packages of National Intelligence Estimates to provide you with file copies for the period 1961 to present. Delivery of all but a very few should be accomplished by C.O.B. 17 November; those will follow shortly thereafter. 2. Please note, with regard to the handling and use of these documents both the high classifications frequently involved and, beyond the classifications themselves, the special sensitivity of several recent ones. We have drawn attention to their sensitivity (and very limited distribution) by attaching a reminder note to the cover of the several NIEs requiring this extra caution. | MEMORANDUM FOR: | | | | 25X |
